RE: Site Inspection for Partial Permit Transfer, Sprunger Minerals, Cactus #1, S/023/057, Juab County, Utah

Date of Inspection: October 3, 2001  
Time of Inspection: 2:00 p.m. – 3:00 p.m.  
Conditions: Sunny  
Participants: Tom Munson, DOGM

#### **Purpose of Inspection:**

To inspect the Cactus #1 site to determine the amount of disturbance and document with photographs the area to be transferred from Sprunger's Minerals to Mr. Larry Lehto. This is a partial transfer of permit S/023/057. This is a partial permit transfer of this permit which contains multiple sites. Only the Cactus #1 site is being transferred. The remaining portion of the site under state lease ML 47821 and ML 46956 remains with Sprunger's Minerals.

#### **Getting to the site:**

The **Cactus #1** is located in NE1/4 of SE1/4 of SW1/4, and SW1/4 of NW1/4 of SE1/4, Section 28, T12S, R11W, Juab Co.

#### **Observations:**

The Cactus #1 site consisted of two pits. One pit and dump material covered an area of approximately 50 feet by 60 feet and 15-20 feet deep; and a second pit approximately 20 feet by 20 feet was excavated into a rocky knoll. The site has not changed much since my last inspection on 7/15/1998. The disturbance is less than a 0.1 of an acre. Photos were taken of the site.

#### **Conclusions and Recommendations:**

The transfer notice was awaiting an inspection before it could be completed. I recommend the transfer of the Cactus #1 site from Mike Sprunger to Larry Lehto be approved. A new file number will need to be assigned to Mr. Lehto, and file number S/023/057 will remain with Mr. Sprunger for state leases ML 47821 and ML 46956.
